

FREE WFH WIRELESS

Wireless over-ear headset with detachable mic

Lossless wireless. Rapid recharging. Connect better.

Customize your connections with seamless performance and clear, powerful JBL Signature Sound. Free WFH Wireless ensures a stable, lossless connection for conferencing while the detachable voice-focus, noise canceling microphone is compatible with universal chat apps like Zoom, GoToMeeting, Skype, and WebEx. With up to 22 hours of battery life you'll never miss a call, and even when you're low on power just five minutes of charging provides an hour of playback time. Get down to business or relax and unwind with lightweight, durable headphones featuring memory foam ear cushions so comfortable you may forget you're wearing them.

- ▶ JBL Signature Sound
- ▶ Detachable voice-focus, noise-canceling microphone
- ▶ Lightweight and durable
- ▶ Up to 22 hours battery life with speed charge
- ▶ Compatible with universal chat apps
- ▶ PC compatible

FREE WFH WIRELESS

Wireless over-ear headset with detachable mic

Features and Benefits

Lossless & low-lag 2.4GHz wireless

The seamless performance of the JBL Free WFH Wireless headset ensures a stable connection for daily calls and video conferencing without the distraction of wires.

JBL Signature Sound

Powerful JBL Signature Sound delivered by 40mm drivers means your calls and music will be incredibly clear, whether you're listening to David Bowie or Dave from accounting.

Detachable voice-focus, noise-canceling microphone

Mic on or mic off, that is the question. Logging into a Zoom call? Time to mic up with advanced noise cancelling technology and voice control for mute. But you can also detach the mic when you're ready to focus on work or unwind with your favorite music.

Lightweight and durable

Comfort is key when you're busy working all day. A lightweight headband with PU-wrapped memory foam ear cushions means these headphones are designed for the long haul. In fact, the fit is so nice you might even forget that you're wearing them!

Up to 22 hours battery life with speed charge

You may never have to work up to 22 hours straight but JBL Free WFH Wireless headphones are up to the challenge. Just five minutes of speed charging will get you one hour of playback time, perfect for last minute meetings.

Compatible with universal chat apps

There are so many ways to network these days. Whether you're using Zoom, Cisco WebEx, GoToMeeting, Skype, or Microsoft Teams, JBL Free WFH Wireless headphones have you covered.

PC compatible

In the office or working from home? JBL Free WFH Wireless headphones are PC compatible so you can stay connected wherever you are.
